Dear Sirs/Madams:

I am a web developer and a share holder in both Microsoft and AOL Time Warner and I believe that "Tunney Act" is \*just, fair\* and \*in the public interest\* and should be implemented to bring an end to this soap opera.

The latest AOL action is both disturbing and frivolous. As an experienced long-time developer for both browsers, I can attest that IE won its market share on its merits.

Thank you.

Mike Sarieh.
